GUSTAVO GALARZA, being duly sworn deposes and says:

1.     Your Deponent is one of the named Plaintiffs in the within matter. I am fully familiar with  
  
          the facts and circumstances of this matter.
2.     After careful review and consideration of this matter I have agreed with the Defendants that I  
  
          will settle my case for the sum of \$ 25,000.00. This is a fair and equitable settlement for  
  
          my claims and represents a premium over what I am actually due and owing.
3.     I have told my attorney that I want to settle my claim. My attorney refuses to allow me to  
  
          settle the claim and he keeps telling me that he will decide the amount of the settlement and  
  
          that I have no say in settling this matter.
4.     My lawyer has refused to let me decide the outcome of my claim.
5.     Also, during the period of the lawsuit I worked for the Third Party Defendant, ANDR Services Group, Inc. and not for DPC.
6.     It has additionally been agreed that the \$ 25,000.00 will be paid to me and

Defendants will

pay in addition to the \$ 25,000.00 whatever legal fees are to be paid to my attorney.

7. No one has forced me to agree to this settlement figure and I am doing this voluntarily.
